

RCC Guidelines on Transporting of Children to and from Matches or Training

RCC recognise it is not the responsibility of the coach or team manager to transport, or arrange to transport, the children to and from the Club, club matches, training or Club events.

Coaches and club staff will only be responsible for children in their coaching/team groups when on Club premise, on arrival at opponents' cricket grounds or during organised events.

The club receives, on registration, permission from parents/carers for children to participate in all competitions and away fixtures/events. Parents are required to ensure they collect all children promptly at the end of home and away matches, all coaching/ training session or Club organised events.
