

### **Rowledge 2<sup>nd</sup> Eleven vs Ryde 1<sup>st</sup> Eleven**

Rowledge 2nd eleven made the long trip to Ryde, and despite losing by 101 runs, picked up vital bonus points in their quest to stay in County one. Having lost the toss and asked to field, Rowledge were made to toil as all of the Ryde batsmen got themselves in on an excellent track and fast outfield. Rodgers juggled his bowlers in attempt to stem the run flow, but it was hard work as Ryde racked up 311 off their allocation of 50 overs.

The Ryde opening bowlers bowled excellently at the start, and Rowledge were immediately on the back foot. It soon became a task of getting as many bonus points as possible. With Morant falling at 110-4 for a well compiled 50 it was left to Wish and Martin to increase the Rowledge total. The tail wagged and Rowledge finished on 210-8 off their 50 overs.
